

Guidelines for Pharmacist Internship

1. The pharmacy internship programme is for persons who are nationals of St. Lucia and have no previous pharmacy practical experience.
2. Persons must inform the Council via email of their interest in registering as a pharmacist at least one (1) year before completion of their pharmacy programme.
3. On completion of the pharmacy programme the following documents must be sent to the Council:
 - a. Transcript (**Sent directly from the school to us**).
 - b. Completion letter from the school.
4. The internship period consists of six (6) months. This includes a three (3) month rotation at a hospital and a three (3) month rotation at a community pharmacy.
5. The pharmacist will be evaluated at the end of each period.
6. The Pharmacist Internship Evaluating Form must be sent to the Council at the end of each period.
7. The documents below are available on the website.
 - a. Pharmacist Internship Manual.
 - b. Pharmacist Internship Evaluating Form.
 - c. Pharmacist Feedback on Internship Programme Form.
8. On successful completion of the pharmacy internship programme the pharmacist must apply to be registered as a pharmacist.
